Room 4.
416. N. Lake St.

Mr. President Eisenhower
Washington D.C.

Dear Mr. President.

I am all out for the stand that you
have taken in that Little Rock
matter.

Why dont you put Gov. Orval Faubus
and his bunch on the spot by asking
them what they would do if you would
tell them ~~the~~ they could have them
Negroes as slaves.

yours Truly.

Rick J. Adam
